Do Your Part  
To Slow The Spread of COVID-19

1. Practice good social distancing, stay 6 feet away from others.

2. Wash hands with soap and water often.

3. Do not gather in groups of 10 or more.

4. Cough or sneeze into a tissue, and dispose in trash.

5. Do not hug or shake hands.

6. Do not expose elders.

7. STAY HOME.

8. Avoid gathering with others that do not reside in your household.

9. Avoid touching your eyes, nose, and mouth.
